<p>First six members are permanent members of the board and Chandrawati Education Society. The permanent member of the Board of Governors are eminent educationists and they have come together to promote Institutions of higher education in the country. As their first endeavor they established Rajasthan Institute of Engineering and Technology in the year 2000 and their second venture was Rajasthan College of Engineering for women in the year 2002. and the third is Rajasthan Pharmacy College. All the Institutes are doing very well since their inception and have carved a niche in Engineering education scenario in the state. The colleges promoted by Chandrawati Education Society are famous in the state for the best academic performance of their students.</p> <p>Chandrawati Education Society is a registered society with Registrar of societies Registration Act. Of 1860. It has its registered office at C-28, Shakti Apartment, Sector-9, Rohini, Delhi-85. The society has been promoted by highly educated people representing various academic disciplines i.e. Medical, Engineering, Science, Law etc. The members include Educationists, Business men, Doctors, Legal professionals and Politicians. The society has been registered to promote higher education in the field of Engineering, Medical, Law, Paramedical, Science,</p>																													

Commerce, Arts and activities associated with establishment of centre of excellence for imparting quality education and providing a platform for higher research.

The promoters and permanent member of the Board of Governors of the Society are eminent educationists and they have already established two Engineering colleges.

Dr. Jitendra Singh, Chairman of the Society is a medical graduate. He is Chairman of Board of Governors for RIET. He is a business man and educationist with keen interest in politics. He is Ex. Pradhan of Panchayat Samiti, Bayana and member of Pradesh working committee of Bhartiya Janta Party. He is a visionary and committed to promote education. Besides these two Engineering colleges he is major partner and Chairman of Rajasthan Dental College, Jaipur. He plans to setup two Engineering colleges and one Dental college in National Capital Region. He is resident of Rohini, New Delhi. He started his career as Medical officer of Ram Manohar Lohia Hospital, Delhi and he was Senior Medical officer in Deen Dayal Hospital, New Delhi. He is Chairman of Board of Governors for Rajasthan Institute of Engineering and Technology.

Thakur Padam Singh Vice-Chairman of the society is an agriculturist and a Politician. He is Ex. Pradhan of Panchayat Samiti Bayana, District Bharatpur. He is a visionary and believes that future of rural populace depends upon education. Even though he belongs to a small town Pidawali, Distt. Bharatpur, he ensured that his children should get higher education. He joined Chandrawati Education Society to encourage more people from his area to become Engineers.

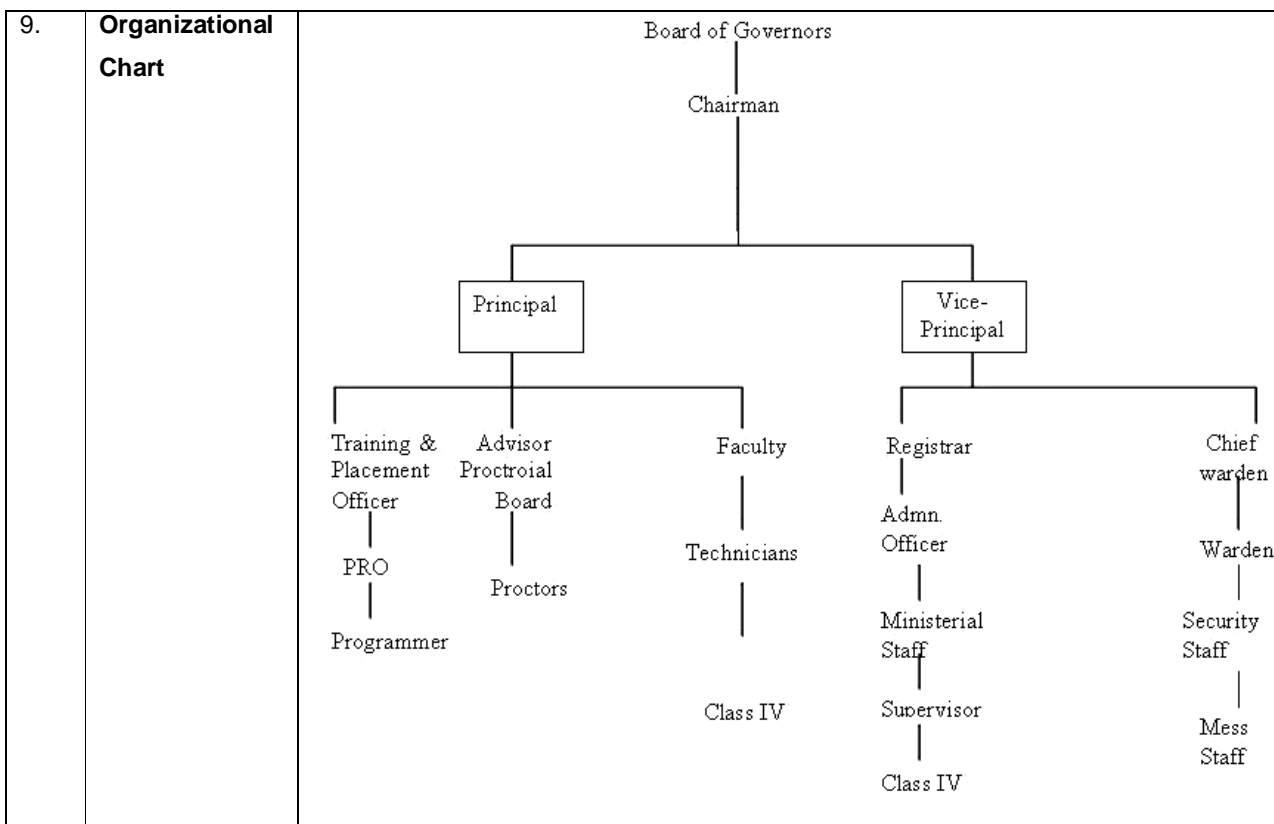

Shri Bhim Singh is a law graduate and administrator. He has keen interest in promoting higher education and believes that to accelerate learning process it is very important to develop excellent academic environment. It is because of his earnest efforts along with other members of the society that we have a very well designed campus in lush green environment. The campus has aesthetically designed academic buildings and separate centrally air-cooled hostels for both boys and girls. He is Secretary of the society and committed to ensure that this campus would be one of the best amongst Engineering colleges in Rajasthan.

Mrs. Beena Singh is Treasurer of the society. She is a house wife with keen interest in Politics. She is a visionary with keen interest in female education. It is because of her our second Institute Rajasthan College of Engineering for Women

	<p>was established in year 2002. She believes that it is the duty of Management to provide excellent infrastructure and academic environment for the students and their progress should be continuously monitored to ensure overall personality development. When ever she is in town she interacts with the faculty and students to ensure their participation in development process.</p> <p>Shri R.S.Tomar is a permanent member of Board of Governors. He is a businessman and a Supreme Court advocate. He hails from family of educationists. In connection with his export business, he has been to almost all countries and seen the education system in both developed and developing countries. He is committed to attain globally acceptable standards in the Institute.</p> <p>Dr. (Mrs.) Ritu Singh – She is permanent member of the society. She is highly qualified. She is B.Sc. Hons., M.Sc. Chemistry IIT Delhi and also Ph.D. from IIT Delhi. She is commonwealth fellow ship awardee. She is former Deputy Director of Software Technology Park of India. She is an outstanding academician and it is her earnest desire that the two colleges under her charge should have best infrastructure and faculty. Her vision is to ensure that both the Institutes should progress to become one of the most sought after Institutes in the state.</p> <p>Management is aware that with liberalization and globalization of economy the Job opportunities in field of Engineering have increased many folds but to meet global challenges quality of Engineering education should be of international standards and syllabus should be up graded every few years. In the present scenario quality in Engineering education has become imperative keeping this fact in view board of governors are determined to achieve highest academic standards by appointing talented and motivated teachers.</p> <p>Management is committed to ensure that Engineering graduates from RIET are placed in suitable industries after graduation. Training & Placement department amply supported by a PRO is working hard to develop a long lasting interaction between Institute and Industry.</p>
<p>Frequency of meetings & date of last</p>	<p>Normally board meets two times in each semester to finalize development programme but finance committee of Board of Governors meets every month.</p>
